# Bringing Garbage Directly to Disposal Facilities during the Year-end / New Year Period

Reverse side

- ◆The roads around disposal facilities get extremely congested at the end of the year (from Mon 22 Dec onwards). You may have to wait for a long time.
- ◆Please put out your burnable garbage and recycling out on the collection days for your area and apply for collection of your large and non-burnable garbage during the new year. We ask for your cooperation in reducing congestion of the roads around disposal facilities

## (1) Available Facilities

Numagami Incineration Plant and Nishigaya Disposal Facility (recyclables not accepted)

Shimizu Garbage Reception Center (burnable garbage and business garbage not accepted)

## (2) Schedule, etc.

With regards to the year-end period, the Shimizu Garbage Reception Center will also accept large and non-burnable garbage on the morning of Sat 27 Dec. (Large and non-burnable garbage is not normally accepted at Shimizu Garbage Reception Center on Saturdays.)
