Bringing Garbage Directly to Disposal Facilities during the Year-end / New Year Period

Reverse side

◆ The roads around disposal facilities get extremely congested at the end of the year (from Mon 22 Dec onwards). You may have to wait for a long time.

◆ Please put out your burnable garbage and recycling out on the collection days for your area and apply for collection of your large and non-burnable garbage during the new year. We ask for your cooperation in reducing congestion of the roads around disposal facilities

(1) Available Facilities

Numagami Incineration Plant and Nishigaya Disposal Facility (recycling not accepted)

Shimizu Garbage Reception Center (burnable garbage and business garbage not accepted)

(2) Schedule, etc.

With regards to the year-end period, the Shimizu Garbage Reception Center will also accept large and non-burnable garbage on the morning of Sat 27 Dec. (Large and non-burnable garbage is not normally accepted at Shimizu Garbage Reception Center on Saturdays.)
