

Make Sure You Know How and When to Dispose of Garbage

This fiscal year, the City will not be sending out guidebooks on separating and throwing out garbage to each household. Please keep using the guidebook you already have. Guidebooks are available at ward offices, lifelong learning centers, and citizen's service corners. They are also available on the city website.

There is also a multilingual (Combined Japanese, English, Portuguese, Spanish and Chinese) version available as a hard copy and online→.

Please put your garbage in the collection area by 8:30AM:

Actual collection time varies due to factors such as traffic conditions and amount of garbage, but please put out your garbage in the designated area by 8:30AM on your neighborhood's collection day.

*Please refrain from putting out garbage on the day before collection, or during the night.

Please use up spray cans before disposal:

Make sure spray cans are completely empty (do not make a hole in them), and separate them from other cans before disposing them on the monthly recycling day in the according to the rules for your neighborhood. See the guidebook for more information.

Download the Official “Gomi Navi” Garbage Separation App:

This handy app is full of useful features to solve all your garbage woes, and it's available in English! →
