

Septic Tank Installation Fees Subsidy System

Install a septic tank (浄化槽, *jokaso*) to protect our precious rivers.

The City offers subsidies to those replacing their single treatment septic tank (单独処理浄化槽, *tandoku shori jokaso*) or cesspit (くみ取り便槽, *kumitori benso*) with a combined septic tank (合併処理浄化槽, *gappei shori jokaso*). Please make use of this subsidy system and change to a combined septic tank.

Application period: From Mon 3 April (applications will close once the budget has been expended)

Details of subsidy:

Tank Capacity	Subsidy amount
5 person use	332,000 yen
7 person use	414,000 yen
10 or more person use	548,000 yen

*In addition to this, up to 300,000 yen is available to cover home installation costs when changing from a singular septic tank

*First-time installations in new buildings, installations in areas with access to the sewerage system, and installations in agricultural settlement drainage areas are not covered by the subsidy.
