

Benefits to Help with Rising Prices

Benefits will be paid to low income households experiencing the effects of the rising prices of electric, gas, food, etc.

Eligible Households and Required Procedure:

1. Households exempt from residence tax for FY2023

Reply to the confirmation form to be sent out from late July.

2. Households facing a sudden change in finances since Jan 2023*

Submit application documents. See the city website or inquire by phone for details on how to apply.

*Households not included in "1." that have experienced a sudden change in finances and now have an income equivalent to that of a residence-tax-exempt household.

Benefit amount: ¥30,000 per household

Application period: Late July to Sat 30 September (postmarked)

Payment period: Sequentially, from early August

Inquiries: Shizuoka City Rising Prices (¥30,000) Benefit Payment Call Center

☎ 0120-979-729 (Weekdays 09:00-19:00)
