

⑦ Shizuoka Specialty Goods Festival: Autumn Market

When: Sat 30 Sep & Sun 1 Oct, 10:00-16:00

This market event brings together craftspeople of Shizuoka City's specialty crafts, including lacquerware such as "Suruga Shikki" and "Suruga Maki-e", and *geta* sandals such as "Suruga Hari Geta" and "Suruga Nuri Geta". The crafts are sold by the craftspeople themselves, meaning customers have the chance to ask detailed questions including how to use and maintain each product.

Free Workshop

Make a "Suruga Shikki" style key-ring accessory including eggshell art (*rankaku bari*).

*One per person; stock of materials is limited
