

6. Go Carbon-Free with the Kurupo App!

What's Kurupo?

Kurupo is the official app of the Fujinokuni Cool Challenge, a prefecture-wide initiative run by Shizuoka Prefectural government to help prevent global warming.

Download the app (Japanese only) onto your smartphone and complete "Carbon-Free Actions" (actions that are environmentally friendly) to earn points. Once you earn 30 points you can enter a lottery to win product vouchers for local business, food vouchers, book vouchers, and more!

Kurupo's 4 Simple Steps

1. Download the app
2. Complete Carbon-Free Actions
3. Collect 30 Points
4. Enter the lottery

Try these Carbon-Free Actions!

1. Share energy at public facilities and shopping centers:
By spending time at places like libraries, we can all share the same air-conditioning facilities.
2. Cycle instead of driving:
Try using municipal bicycle parking areas or PULCLE share bikes.
3. Eat at participating restaurants and workplace cafeterias:
Going carbon-free never tasted this good!

Download the app now to start reaping rewards for your Carbon-Free Actions!
