

Creating a Residence Tax Return Form on Your Smartphone or PC

It is now possible to declare residence taxes for FY2024 onwards using the electronic application system from your smartphone or PC.

Submission Methods: Submit using one of the following methods:

1. Create your individual residence tax return form on the city's website (Resident Tax Trial Calculation System), then mail it or submit it directly to the Municipal Tax Division (2nd Floor, Shizuoka City Hall Shizuoka Office, 420-8602) or Shimizu Municipal Tax Office (2nd Floor, Shizuoka City Hall Shimizu Office, 424-8701).
 2. Send the data created on the city's website through the electronic application system. For the latest information, please visit the city's website (https://www.city.shizuoka.lg.jp/190_000022.html).
- If you have no income, you can declare directly through the electronic application system without creating a declaration form.
 - The declarant's My Number card is required when submitting via the electronic application system.
 - Supporting documents for the declared amount (such as withholding tax slips or deduction certificates) are required. *For electronic applications, image data is accepted, and for paper submissions, originals or copies are required.
 - When submitting by mail, please attach a copy of identification documents.
