

Learn About Simple Japanese and Talk with International Guests

The International & Intercultural Affairs Division holds “Simple Japanese Lessons”, teaching native Japanese speakers the benefits of using “Simple Japanese” to communicate more effectively with non-native Japanese speakers. After learning the basics, students then have a chance to chat with special guests (international residents of Shizuoka City).

When	Where
Sat 3 August, 10:00-12:00	Miho Shirube
