

12. Revisions to the Child-Rearing Allowance System

Income requirements for the Child-Rearing Allowance (児童扶養手当, jido fuyo teate) will be relaxed starting with the allowance for November 2024 (to paid out in January 2025). Single-parent households, etc. that become eligible under the relaxed requirements need to apply in order to start receiving the allowance. In order to receive the allowance for November 2024 onwards, households must apply by Thurs 31 October. For more information regarding revisions to the system, please inquire below or see the city website.
