

2025 National Census

The National Census is Japan's most important statistical survey, conducted every five years to gather information about the population, employment, housing, and more. It covers everyone living in Japan. The results are used in various aspects of daily life, such as planning public services, disaster prevention measures, and commercial facility development. Please make sure to respond.

Who is included in the survey?

Everyone living in Shizuoka City as of Wednesday 1 October 2025—including newborns and foreign residents—is included in the survey, regardless of their resident registration status.

When and how will the survey documents be delivered?

Survey takers, mainly recommended by residents' associations, will visit each household to deliver the survey documents.

Distribution Period: Saturday 20 September – Tuesday 30 September

How do I respond to the survey?

Once you receive the survey documents, please access the response website using a smartphone, tablet, or computer, and follow the on-screen instructions to complete the survey.

Online Response Period: Saturday 20 September – Wednesday 8 October

If responding online is difficult, you may either mail your completed survey (no postage required) or submit it to a survey taker. Survey takers will visit households that request collection.

Mail/In-Person Response Period: Wednesday 1 October – Wednesday 8 October
