

Accepting Applications for Enrollment Aid through the Student Financial Aid System

Enrollment aid (入学準備金, *nyugaku-junbikin*) is available to families with children entering public elementary or junior high school in April, who find it financially difficult to cover the associated costs (the City has specific criteria). This aid will be paid to eligible families in February, before enrollment. Application is not required by parents of 6th grade elementary school students who are already approved as “equivalent to requiring public assistance” (準要保護, *jun-yohogo*) under the student financial support system (就学援助, *shugaku-enjo*).

For more information see the leaflet and application form you received at your start-of-school health check (就学時健康診断, *shugakuji-kenko-shindan*). Application forms are also available at each school.
