Support for Victims of Crime Symbol

The City of Shizuoka provides condolence payments to victims of crime and their families, as well as subsidizing the cost of things such as housework and nursing care.

\*The above support applies to crime that occurred on or after 1 April 2024.

### Eligibility Criteria:

The victim must have been a Shizuoka City resident at the point the crime occurred.

\*This includes those who were not on the residents' register but were, in fact, residing in the city at the time.

### Applicable Crimes:

Acts constituting a crime that harms the life or body of another.

\*Must be objectively verifiable through such things as reports submitted to the police.

**Deadline For Applications:** Within one year of the day the crime occurred.
