

## Child Allowance to be Paid Out in February

The amount for December and January will be paid out on Thur 13 February. Those who submitted applications related to the amended system from mid-January onwards will receive payment from March onwards.

In principle, the Child Allowance are paid from the month following the application date. Retroactive payments are not made, so please ensure you apply promptly (except for applications made within 15 days of the day after childbirth or planned moving-out date, or applications related to the system amendments).

The deadline for applications relating to the revised system is Monday 31 March. Applicants who apply by the deadline will receive payments starting from October 2024 (the date that the system was revised) onwards.
