

Libraries to Close for System Update

All municipal libraries will be closed during the below period for a system update. During this period, services such as material searches and reservations via the library website will also be unavailable. We apologize for any inconvenience and appreciate your understanding and cooperation.

Closure Period for All Libraries: Fri 16 to Thu 29 Feb

Website Suspension Period: 20:00 Thu 15 Feb to 09:00 Fri 1 Mar (scheduled)

Borrowing Period for Materials: If your return date (2 weeks after borrowing) falls within the closure period, the deadline will be extended.

Returning Materials: You can still return items to the book return slot during the closure.

*Audio-visual materials, picture-card shows, oversized books, and interlibrary loan materials should be returned at the counter from Fri 1 March.

*Warashina Library is undergoing renovations, so the book return slot cannot be used.

New Services from Fri 1 March:

1. E-Library (You can reserve and borrow e-books)
2. User registration applications and information updates can now be made online.
3. User barcodes can be displayed using smartphones.
