

June is Landslide Disaster Prevention Month

Let's prevent landslide damage, together.

Routine preparation by individual residents is a key factor in minimizing damage from landslides.
Let's make sure we're all prepared and ready for a speedy evacuation.

Three Important Points:

1. Check whether your home is in a yellow landslide warning zone (土砂災害警戒区域, *dosha saigai keikai kuiki*) or red landslide special warning zone (土砂災害特別警戒区域, *dosha saigai tokubetsu keikai kuiki*) using a disaster prevention map.
(<https://www2.wagmap.jp/shizuoka-hazard-sp/>)
2. When it rains, be alert for heavy rain and landslide warnings.
3. If you detect signs of an imminent landslide (rumbling, falling stones, etc.) or feel like something is wrong, evacuate immediately.

Yellow Zones: Areas with a risk of damage from landslides.

Red Zones: Areas with a risk of buildings collapsing, and danger to inhabitants.

Landslide Prevention Festival 2024

Let's learn about national, prefectural, and municipal initiatives and increase our landslide prevention awareness!

- Exhibitions including panels and models
- Spreading of disaster prevention knowledge
- Distribution of promotional goods

When: Sat 15 June, 11:00-15:00

What: Aoba Symbol Road

*Free, no reservation required

Inquiries:

Landslide Warning Zones, etc.: Building Policy Division ☎ 054-221-1446
Shizuoka Pref. Public Works Office,
Planning Inspection Division ☎ 054-286-9321

Regarding Evacuation: Risk Management Division ☎ 054-221-1241

We offer subsidies for set up costs of disaster prevention infrastructure (retaining walls, etc.)

Subsidy Amount: half of installation costs (up to 5 million JPY)

*Please contact us before starting the installation. For more information on conditions for subsidies, see the City website.

Inquiries: Building Policy Division ☎ 054-221-1446

Emergency Home Repairs System available when Disaster Relief Act applies:

When your house is damaged in a disaster, support, such as emergency repairs required to restore your house to a livable condition, is available. Please inquire for details of support and eligibility criteria.

(Please consider enrolling in earthquake insurance to cover the expense of fully rebuilding your house.)

Inquiries: Building Safety Division ☎ 054-221-1371

Sprayed Asbestos Countermeasures Subsidy System:

To prevent health problems from airborne asbestos particles, the city subsidizes part of the costs of testing for and removing asbestos from eligible buildings. Please inquire for more details. (Subsidies to end after FY2025)

Inquiries: Building Safety Division ☎ 054-221-1267
