

## The 64<sup>th</sup> Shizuoka Hobby Show

*Welcome to Shizuoka City, The Plastic Model Capital of the World*

Japan's world-renowned model brands, including plastic models, railway models, and RC (radio-controlled) models, will gather for one of the largest exhibitions in the country. The 35<sup>th</sup> Joint Modelers' Club Exhibition will also be held at the same time. Additionally, at the adjacent Nambu Gym visitors can enjoy RC car test-driving sessions and see a real race car on display. We look forward to seeing you there.
