

## Nighttime Traffic Restrictions Due to Inspections of the Route 150 Shin-Nipponzaka Tunnel

Shin-Nipponzaka Tunnel is made up of two tunnels: a one-way inbound tunnel (two lanes) and a one-way outbound tunnel (two lanes). While inspection is underway in one tunnel, all lanes of that tunnel will be closed off and the other tunnel will temporarily open to two-way traffic (one lane in each direction).

### When

Mon 3 to Sun 9 June, 22:00-06:00
