

Child Allowance to be Paid Out in December

The amount for October and November will be paid out on Fri 13 December (the first payment since the system was amended). Those who submitted applications related to the amended system from November onwards will receive payment from January onwards.

In principle, the Child Allowance are paid from the month following the application date. Retroactive payments are not made, so please ensure you apply promptly (except for applications made within 15 days of the day after childbirth or planned moving-out date, or applications related to the system amendments). The application deadline for the system revision is Monday 31 March. Applicants who apply by the deadline will receive payments starting from October.
