

# Hobby events held in Shizuoka City

Various events related to hobbies are held throughout the year in Shizuoka City.

## Spring

### Hobby City Shizuoka (May)

Hobby events will be held around the city, centering on the Shizuoka Hobby Show.

### Shizuoka Hobby Show

Japanese famous model manufacturers of plastic models, railway models, railroad models gather together, and it is the largest hobby exhibition in Japan that announces remarkable new products. Everyone can enter for free on the public day.

On the Shizuoka Hobby Show public day, the "Modeler Club Joint Work Exhibition" is held at the venue described above, where model fans from all over Japan and overseas bring work they are proud of. At the same time the "Modelers FriMa" flea market for model fans is hosted.

Organizer: Shizuoka Model Teaching Material Cooperative Association  
Venue: Twin Messe Shizuoka (Magarikane, Suruga-ku, Shizuoka-shi)

### Tamiya Open House

Opening the Tamiya Headquarters in accordance with the Shizuoka Hobby Show public day! You can see what each department looks like and that is not usually seen. The expert staff will give explanations in an easy-to-understand way at the observation point. You can freely visit the historic center and the lobby where actual F1 machines are displayed.

Organizer: TAMIYA, INC.  
Venue: Tamiya, Inc. Headquarters (Ondabara, Suruga-ku, Shizuoka-shi)

### Granship Train Festa

Japan's largest railway event. Many dioramas from railroad clubs are exhibited, and you can see the running of thousands of railroad models. There are plenty of contents such as an authentic mini SL ride that moves with steam and the Shizuoka Prefecture Railroad Company PR Booth/Workshop! This is an event that all of the family can enjoy.

Organizer: Shizuoka Prefecture Cultural Foundation / Shizuoka Prefecture  
Venue: Granship (Higashi-shizuoka, Suruga-ku, Shizuoka-shi)

## Summer

### Hobby Town Plastic Model Exhibition Shizuoka (July-August)

This is a summer vacation production event at Sumpu Takumi-Shuku. A large gathering of popular plastic models from Tamiya, Hasegawa and Aoshima! This event holds a plastic model exhibition sale and work experience.

Organizer: Sumpu Takumi-Shuku  
Venue: Sumpu Takumi-Shuku Annex (Mariko, Suruga-ku, Shizuoka-shi)

## Autumn

### Tamiya Fair (November)

An autumn hobby event organized by Tamiya where, starting with exhibits of Tamiya's new products, you can see, play and experience events such as the Electric RC Car World Championship and the Mini 4WD Event Work Experience Class.

Organizer: TAMIYA, INC.  
Venue: Twin Messe Shizuoka (Magarikane, Suruga-ku, Shizuoka-shi)

## Winter

### Modeler's exhibition

Many modelers not only from Shizuoka City but also from outside the prefecture participate. Works of pride are exhibited. You can see high-quality work.

### SCM (Shizuoka Character Modeler's Exhibition) (December)

SCM is a model exhibition by character modelers held at "Hobby City Shizuoka". Many modelers gathered not only from Shizuoka City but also from inside and outside the prefecture, and they exhibit a lot of works which are full of variety. Surely you will want to make a model!

Organizer: SCM Executive Committee  
Venue: Shizuoka Hobby Square (Minami-cho, Suruga-ku, Shizuoka-shi)

### Shizuoka AFV Meeting (February)

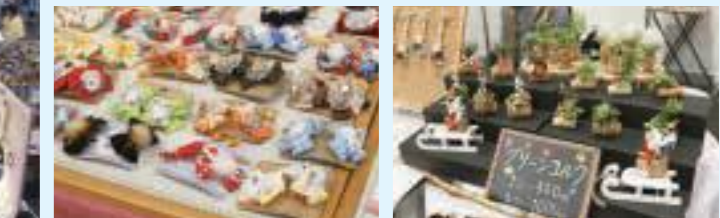

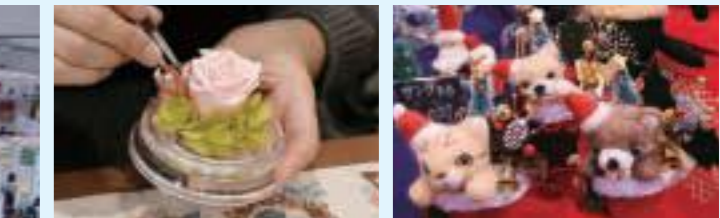

This is an event that brings scenes mainly of plastic models such as tanks, soldier figures and individual model works, and presents them in contest format. (No advance application required)

Organizer: Shizuoka AFV Meeting Executive Committee  
Venue: Shizuoka Hobby Square (Minami-cho, Suruga-ku, Shizuoka-shi)

### Christmas Festa (December)

A hobby event where you can see, touch and experience hand-made hobbies from various genres such as stained glass, accessories and flowers in addition to model manufacturer's exhibits. This is an event anyone can enjoy regardless of gender or generation.

Organizer: Hobby Promotion Council Shizuoka  
Venue: Twin Messe Shizuoka (Magarikane, Suruga-ku, Shizuoka-shi)
